Wrong Or Right?

(Helmut Huber)

You are the only one who knows
What I'm feeling deep inside
You are the only one who sees
Which way is wrong or right

You are the only one who knows
What I'm longing for
You know, I think I cannot live
Without this girl anymore

I wish we could have our own world
Where all our sweet dreams come true
I close my eyes to see you clear to feel you near
And to live in the world, where I spend my life with you

You know our dark and hidden dreams
You are the mighty high above
You can see to the bottom of our hearts
And you know whom we love

Please help me out of this maze
Seems that I have lost my way
I believe in love and in hope
But don't lead me astray

I wish we could have our own world
Where all our sweet dreams come true
I close my eyes to see you clear to feel you near
And to live in the world, where I spend my life with you

I wish we could have our own world ...
