Angela's Journey

(Helmut Huber)

Angela, now you're on your journey
Through a foreign country, far away from home
But in my thoughts, you'll be always with me
So I cannot feel alone

I remember all the wonderful moments
That we spend together, during last week
I remember all the sweet, sweet kisses
You give me the love that I seek

Oh, Angie I love you
Angie, I need you so
Oh, Angie I long for you
Our time will come, I know

Angela, you will think a lot about us
But don't forget, what I'm feeling for you
I'm looking for, when I can hold you in my arms again
Believe me it's all true !

Oh, Angie I love you
Angie, I need you so
Oh, Angie I long for you
Our time will come, I know

(Acoustic Guitar Solo)

Oh, Angie I love you
Angie, I need you so
Oh, Angie I long for you
Our time will come, I know
