

# *I Still Love You*

( Helmut Huber )

Chiara, I still trust you  
I still believe the words you say  
I need you more than ever  
But you are still so far away

Chiara, I'm still lost in a maze  
When I see the glare in your eyes  
Your smiling still enchants me  
But don't tell me any lies

And when thousand years will pass by  
And a million tears are spilled, I tell you why  
I still want you  
I still need you  
I still trust you  
I still believe you

Chiara, 'cause I still love you, my girl  
You will always be in my mind  
And I still believe in you  
I know you're the best girl, I can find

And when thousand years will pass by  
And a million tears are spilled, I tell you why  
I still want you  
I still need you  
I still trust you  
I still believe you

(Solo)

And when thousand years will pass by  
And a million tears are spilled, I tell you why  
I still want you  
I still need you  
I still trust you  
I still believe you

I still want you  
I still need you  
I still trust you  
I still believe you

'Cause I still love you !
